Dear Harold:

The enclosed copy of my letter to Professor Bernabei is self-explanatory.

Thank you for your additional remarks concerning Fisher. I was always aware of the fact that he did some fancy semantical maneuvering in this case, but I am glad to have been filled in on some of the details.

Spitz is a clever guy who has learned much and well during his years with Fisher. Need I say more?!

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
